

ESTATES & TRUSTS

Satel Laws Estate and Trust Practice Group, where we believe in securing your legacy, not just promising it. Our attorneys understand that planning for the future involves more than just financial considerations; it encompasses the essence of who you are and what you hold dear in your unique situation. We invest time in understanding your long-term objectives, family situation, and insurance coverages to devise personalized estate plans that reflect your wishes and effectively manage and protect your assets.

We exemplify this essence in providing legal representation for estate planning, trust administration, and probate matters, all with the goal of ensuring your legacy is protected and preserved for generations to come.

Our attorneys represent various client types, including high-net-worth individuals and families, multi-generational families, family-run businesses, professionals, entrepreneurs, celebrities, charities, and nonprofit organizations, to safeguard your legacy and protect your loved ones' financial futures.

As part of the esteemed Satel Law firm, our specialized team of legal professionals is dedicated to providing top-notch services in estate planning, trust administration, family business succession planning, charitable gift planning, and probate matters.

Our corporate expertise shines through as we navigate the intricacies of this constantly changing area of law, working diligently to minimize tax implications and streamline the distribution of assets during trust administration and probate proceedings. Our goal is to alleviate the burden on you and your loved ones during challenging times, while ensuring your hard-earned assets are passed on as you intend.

Through clear and concise communication, we develop a plan that includes responsive changes to reflect your evolving needs and goals, guiding you through the legal process and keeping you informed every step of the way. Your trust is our priority, and we treat each client relationship with the utmost care and professionalism.
